सत्यमेव जयते

DEPUTY CHIEF MINISTER
MAHARASHTRA STATE

Date:-15th October, 2026

MESSEGE

It is my pleasure to extend my warmest wishes to all the students of PDEA's College of Pharmacy, Hadapsar.

Pharmacy is a vital field dedicated to protecting health, promoting well-being, and serving society. As future pharmacists, you have the opportunity to make a meaningful difference through your knowledge, compassion, and commitment.

PDEA's College of Pharmacy provides a supportive environment that promotes academic excellence, practical learning, innovation, and personal growth. Through quality education, expert guidance, modern learning opportunities, and a strong emphasis on ethics, the college prepares you to become skilled, responsible, and compassionate healthcare professionals.

Make the most of every opportunity, remain curious, work with dedication, and uphold the values of integrity, empathy, and service. Your education is not only a pathway to a successful career but also a responsibility to contribute meaningfully to society by promoting safe medicine use, supporting patients, and advancing community health.

Believe in yourself, face challenges with courage, and strive for excellence. The knowledge and values you gain here will guide you toward a fulfilling future and enable you to serve humanity with pride and purpose.

My heartfelt best wishes to all pharmacy students for academic success, professional excellence, and a bright, meaningful future.

MS Pawars-A

(Sunetra Ajit Pawar)
